

ROTARY RANDOM ACT OF KINDNESS FUND

The purpose of the fund will be to enable Rotarians to make small but meaningful gifts to individuals in need of help due to medical, school or personal issues.

PROGRAM:

Individual Rotarians would be able to make small {up to \$500 maximum} gifts to an individual in need of medical, dental, school, auto repair help, etc.

We are purposely leaving this list inclusive of all types of requests.

WHO WOULD QUALIFY:

Any Broomfield resident, employee or student.

WHY:

There is a large number of working individuals who do not qualify for governmental, or program help that are in occasional need of assistance for dental work, school costs, etc. This as an outreach program for Rotary, so Rotary can cover a larger footprint of charitable giving to the end user. This will go directly to individuals in need of help that do not necessarily qualify for other programs.

HOW:

It is a Rotary program in which any Rotarian, with the approval of a gift coordinator, can grant \$200 to \$500 (depending on available funds) as an "act of kindness". Fill out a Rotary Random Act of Kindness form, get it approved and include an invoice of services.

This is a \$3,000 to \$5,000 program (depending on available funds). The board of Directors has appointed "gift coordinators" to approve all gifts {but the coordinators will approve said gift except in unusual circumstances}. The RAK committee chair would then give quarterly reports to the board concerning how the money was used. The Gift Coordinators are Pete Snyder, Rick Simmons, Bill Duggan and Bill Unrein.

Payments of RAK funds at typically targeted at organizations rather than individuals. Exceptions are possible.

WHERE:

Wherever random acts of kindness would insure a better community and a healthier life.

Rick Simmons	303-469-7133 (Gift Coordinator)
